Settling claims

How **we** deal with **your** claim

1. If **your** claim for loss or damage is covered under section one, **we** will pay the full cost of repair as long as:
 - the **buildings** were in a good state of repair immediately prior to the loss or damage and
 - the sum insured is enough to pay for full cost of rebuilding the **buildings** in their present form and
 - the damage has been repaired or loss has been reinstated.

If the **buildings** were not in a good state of repair prior to the loss **we** may deduct an amount from **your** claim to reflect the difference in the value of the **buildings** in a good state of repair and the value of the **buildings** in disrepair.

2. **We** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.
-

Your sum insured

1. **We** will not reduce the sum insured under section one after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.
 2. If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.
-

Limit of insurance

We will not pay more than the sum insured for each **premises** shown in the **schedule**.

Index Linking

The sum insured on **Buildings** will be adjusted each month in line with an appropriate index* **we** have chosen or by any higher percentage **we** consider appropriate. No additional premium will be charged for each monthly increase but at each renewal the premium will be calculated on the revised sum insured. For **your** protection should the index fall below zero, **we** will not reduce the sum insured.
